The Mara reserve is 1510 sq km of incredible wide-open landscapes and fertile river woodland following the looping meanders of the Mara and Talek rivers. Wherever you go in the Mara you will see a frequent amount of wildlife such as Masai giraffe, baboons, warthogs, bat-eared foxes, grey jackals, spotted hyena, topi, impala, wildebeest. Elephants, buffaloes, zebras and hippos also exist in great numbers. It is also common to see lions either basking after a heavy meal, or surveying the plains for their next meal. Cheetahs and leopards are harder to spot but are still reasonably common. Meals on full board.

### Day 3

*Masai Mara*

Being your last day at the Mara, you can either choose to go for an early morning balloon trip which is usually very outstanding way of seeing the Savannah plains and the wildlife after which you come back down for a beautiful champagne breakfast alternatively you could opt for an early morning game drive before being transferred to Nairobi.
