# 4 DAYS/3 NIGHTS TREKKING ADVENTURE KIGALI & VOLCANOES NATIONAL PARK

## Day 1

### *Arrival Kigali*

Arrival at Kigali International Airport, clear the immigrations and Customs and later Meet & Greet by the Akagera Aviation team. After transfer to The Retreat by Heaven Hotel to present COVID Test for Arrival.

Dinner and overnight stay at The Serena Hotel (*there is a wait of up-to 24 hours for tests results*).

## Day 2

### *Kigali City Tour & Transfer to Volcanoes National Park*

Breakfast at the hotel, check out and settlement of any extras. Start your city tour including the Gisozi Genocide Memorial Center, Inema Arts & Kimironko local market then lunch at Pili Pili Restaurant.

*Perhaps the city's best-known landmark, and with good reason, is the very insightful and moving Kigali Genocide Memorial standing amid beautiful rose gardens and fountains. The memorial sets out the history leading up to the genocide in Rwanda and also explains other genocides around the world. It includes poignant displays of victims' photographs and belongings, bringing the realities of the atrocities to life. While it might seem an unusual tourist attraction and can be upsetting, it does help to put into context how and why the genocide happened and to better appreciate just how far the country has moved on together in the intervening years. It also plays a vital role in educating Rwanda's new and future generations about the genocide. Audiovisual equipment will be provided in Dutch, English, or other.*

After lunch, depart for 2 hour drive to Volcanoes National Park where you arrive at One & Only Gorillas Nest. Dinner and overnight stay.

## Day 3

### *Gorilla Trek in Volcanoes National Park*

After an early breakfast at the lodge, you transfer to Kinigi Park Headquarters for gorilla trekking briefing and the beginning of the most memorable experience.

*Bordering the Democratic Republic of Congo in Rwanda, the Volcanoes National Park is best known as a sanctuary for the region's rare mountain gorillas. Visitors flock here to experience a face to face encounter with these intriguing creatures. The park is set high on the jungle-covered slopes of the volcanic Virunga Mountains. Highly regulated treks through the reserve allow visitors to spend an hour at a time with these incredible primates in their natural habitat. While the gorilla's are without a doubt the main draw, visitors can also look forward to exploring a network of scenic hiking trails, visiting the tomb of the world-famous Dian Fossey and the Karisoke Research Centre, and enjoying a beautiful day hike to the crater lake on Mount Bisoke.*

You'll then return for lunch and rest of the day is at leisure. Dinner and overnight stay.

## Day 4

### *Golden Monkey Trek and Departure*

An early breakfast at the lodge you transfer to the park headquarters for Golden monkey trek briefing and onto the start point for your Golden monkey trek adventure. After this amazing experience you return to the lodge for lunch and check out. Depart for Kigali and depending on your flight schedule you will be transferred to Kigali International Airport.
